

# Advance ::

“ I’ve been in project management for years and PMI has been right there with me. My focus now is on building strong teams wherever my projects take me. PMI helps me find the best project talent while also increasing my own earning potential and marketability. ”

## Good things happen when you get involved with PMI.

**One global community. Many local ways to advance your project management career.** Become a PMI member. Join PMI Chicagoland local chapter. Earn a globally recognized credential. Access our professional network.
